As far as possible all of our ingredients are sourced locally. Our Meat & poultry are sourced from a number of locally renowned butchers. All Poultry is free range. Fish is delivered to us daily, Mussels, Crab & Lobster in season come from local suppliers a stone's throw from where you're sitting! Strawberries & Asparagus are grown around us. Game in season is supplied by the gentleman in wellies in the back bar.

Some of our dishes may contain nut products, for any special dietary requirements please notify a member of our team
